August 01, 2024

To Whom It May Concern:

This letter is to confirm that Cher Scarlett of the Orange Coast College registered for the 2024 Sagan Exoplanet Summer Hybrid Workshop on "Advances in Direct Imaging: From Young Jupiters to Habitable Earths". The workshop was hosted by the NASA Exoplanet Science Institute at the California Institute of Technology in Pasadena, CA.

The workshop was held as a hybrid workshop from July 22-26, 2024 with both in-person and remote attendance via a Zoom webinar. The workshop included lecture presentations, hands-on sessions (<https://nexsci.caltech.edu/workshop/2024/handson.shtml>), in-person and virtual poster sessions, and the opportunity to meet with the speakers. More information on the workshop, including the agenda, including links to the recordings of the presentations, can be found at: <https://nexsci.caltech.edu/workshop/2024/>.

Cher Scarlett attended the workshop in-person during the week of July 22-26.

Please let us know if you have any further questions.

Sincerely,  
Science Affairs Team  
NASA Exoplanet Science Institute
